## EXPERIENCE

### Columbia Organization of Rising Entrepreneurs

Designer & Operating Committee Leader

October 2021 - PRESENT

- Re-designed logos for all of the initiatives of CORE, the CORE's logo, and currently revamping the entire website.

### Year Visualized | [yearvisualized.com](#)

Frontend Developer

Jan 2022 - PRESENT

- Developed a fully functioning online minimalist analog clock with pure HTML, CSS, and JavaScript. Supports different time zones & both 12-hour (AM/PM) & 24-hour time formats.

### ID | [chaseguerin.com/id](#)

Designer

May 2021 - PRESENT

- Designed and launched a unique sequence of animations relating to the important events of a person's life that are in progress of becoming NFTs.

### Guerin New York | [guerinnewyork.com](#)

Founder & Designer

November 2017 - September 2021

- Designed logos, website, videos, and each of the products. Worked closely alongside several manufacturers to create handbags, duffels, apparel, and tested the quality of each product.
- Featured on Columbia Daily Spectator.

### LN Huis | [PREVIEW](#)

Interior Design Intern

January 2022 - April 2022

- Rendered a 1-to-1 3D model of the LN Huis via TapGlance with full scale measurements of each floor. Used the render to coordinate with construction workers on the end design of the house.

### Aporia | [joinaporia.com](#)

Website & UI/UX Designer

August 2020 - November 2021

- Aporia is a passion project with the aim of understanding the processes of rapid prototyping, wireframing, and interaction design.
